Memorize your fire department's emergency phone number and write it here:

How to make a Home Fire Escape Plan

NFPA® – The Official Sponsor of Fire Prevention Week Since 1922

- Draw a floor plan or a map of your home. Show all **doors** and **windows**.
- Mark two ways out of each room.
- Mark all of the **smoke alarms** with SA. Smoke alarms should be in each sleeping room, outside each sleeping area, and on every level of the home.
- Pick a family **meeting place** outside where everyone can meet.
- Remember, practice your plan at least twice a year!

Grown-ups: Children don't always wake up when the smoke alarm sounds. Know what your child will do before a fire occurs.

Get more information on smoke alarms and escape planning at **nfpa.org/factsheets**.
