16th Annual CASA Golf Classic
Charity Golf Tournament
Sponsorship Opportunities

The Voices for Children CASA Golf Classic helps to support continued advocacy for children in the foster care system. Voices for Children works hard to provide a trained volunteer advocate (CASA) for every child in foster care in our five county service area. Thanks to the dedication of our CASA volunteers, VFC is helping children and families navigate the foster care system and providing valuable information to the judge and others involved in the case to help ensure a child's best interest is being met.

As we celebrate our 16th year of this tournament, we know that our continued success would not be possible without the numerous community partners who support VFC through individual contributions and corporate sponsorships. The following pages present this year's sponsorship levels and describe the tangible benefits of supporting Voices for Children and our mission to improve the lives of children in foster care by providing powerful volunteer advocacy.

Last year Voices for Children, with 206 CASA volunteers, advocated for 597 children who experienced abuse or neglect. Our CASA volunteers drove more than 83,779 miles in service to families and donated 11,527 hours advocating for children and families in our community. Your support enables us to recruit, train and support these amazing volunteers who support children and families involved in the foster care system.

Please join us in supporting the Voices for Children CASA Golf Classic. For questions or additional information, contact our Events Coordinator, Kristi Lester, at 979-822-9700 or klester@vfcbrasos.org Thank you for your consideration and commitment to serving our community's children.
